Bishop McKnight's September Prayer Intention

"For first responders; that God's holy angels may watch over and protect those who place themselves in harm's way to serve their neighbors."

From Sr. Jane:

We have heard much through the years about the two sons and the merciful Father. I'll leave that aside and look instead at Jesus' use of parables. Something for everyone in his parables. And that's pretty much how the Gospels appeal to us: one thing one time, another at a different time. Our circumstances change and so how we apply the gospels to our lives changes.

We hear these parables differently than did the people of Jesus' time, yet we here the same message. Only the application changes. May God help us make the applications most helpful to our spiritual journey.

Confirmation news

Following the news reported some time ago in *The Catholic Missourian* that the Diocese will be celebrating Confirmation with youth from 7th grade, parish's pastoral leaders were asked to submit possible dates for Confirmation for their parishes.

While we wait word for when the bishop will be available for our celebration, we do know that the parishes of St. Michael, Kahoka and St. Patrick in Clark County , and St. Joseph and Queen of Peace in Lewis County will have a **common Confirmation Program beginning September 29th with all young people grades 7 through 11 eligible.** These young people and their parents are invited to the Introductory session on September 29th, 3 pm, at St. Joseph parish hall, Canton. Registration will take place at this gathering.

Fr. Rob and Sr. Jane are putting together the various sessions of preparation that will take place between now and the celebration of Confirmation, which is anticipated to be sometime in June 2020.
