Bishop McKnight's November Prayer Intention:

For a greater sense of gratitude to God for all blessings received, and a greater sense of our responsibility for the mission of the Church in our parishes.

Pope Francis' November Prayer Intention:

We pray that the progress of robotics and artificial intelligence may always serve humankind.

Sacramental preparation notes:

In consideration of Covid-19 in Lewis and Clark counties, Sr. Jane and I have decided to temporarily delay preparations for the Sacraments of Baptism, Eucharist, Confirmation. Reconciliation, Marriage and RCIA until further notice. Thank you for your cooperation. Father is available for Reconciliation and Anointing as usual.

From Sr. Jane:

"Be prepared" the virgins aimed to be . . . at least some of them. But it was not enough. We do need to be prepared, but also we need to "stay awake" "for you do not know the day nor the hour." Nor do we know the manner . . . but that is not so important as the preparedness and the alertness. Some things we can safely put off for another day. This parable tells us that we cannot predict the day nor time that we meet God face to face. Best to be prepared and alert!

Parish Council

Next week, St. Joseph's Parish Council will begin the process of updating the parish census. As the first step in that effort, parish council members will distribute questionnaires prior to Mass on November 14th to give each household in the parish an opportunity to provide current information. Please join in to help the Parish Council on this project.
